## DAILY AVERAGE OF 100 ATTEND AURORA SCHOOL

Aurora—The first inter-denominational vacation school to be held in Aurora was a huge success, and resulted in complete harmony and co-operation between all concerned. The school is the outgrowth of the summer schools handled in previous years by Trinity Anglican church. Rev. R. K. Perdue was chairman of the committee in charge with Mrs. B. G. White-law, treasurer, and Larry Maughan as secretary. There was an average attendance of over 100 children.

The children of pre-school age were in a class at the Salvation Army Citadel with Mrs. Robert Hodgkinson and Mrs. William Waite as convener. Leaders were Mrs. B. Stevens, Mrs. David Judd, Mrs. Jasper Smith, Mrs. W. C. Duff, with Marion Cook, Betty Holman, Peggy Bull, Betty Anne Waite, Joan Stephenson and Jane Hodgkinson as assistants.

The primary group of children from six to nine years were housed in the United church and the instructional group was convened by Mrs. Chester Osborne. Leaders were Capt. B. Stevens, Lorraine Fierheller, Mrs. Roy Fierheller, Mrs. Clifton Spence, Mrs. Edward Carson, Mrs. W. G. Lambe, Mrs. Delmer Barkey and Norva Feren.

The junior group, which included children 12 years of age, met at Trinity parish hall and Mrs. Harold Clark and Mrs. A. E. L. Maughan were convener. Leaders were Mrs. A. E. Snow, Mrs. C. R. Boulding, Rev. Leonard Coupland, Fred. White, Mrs. F. W. Browne and Mrs. A. A. Ekland.

The syllabus for the school was similar for each group except that as the age varied the work advanced in grading. Bible study, music, games and handicrafts were a large part of the instruction. Among the many items made from paper, wood, felt or leather were scrap books, paper knives, serving cards, invitations, memo pads, book marks, belts, hats, crummers, patchwork sewing, change purses, wall pockets, sewing cards.

On Thursday, the closing day, a concert party and exhibition of the work done was held in the high school auditorium. Playlets, folk-dancing, finger exercises, group singing, and a solo by Fred. White highlighted the program. The youngsters enjoyed ice cream and cake following the program. The staff was entertained at tea at Trinity rectory to conclude the school with Mrs. L. C. Lee convening the tea for the workers.

## MIDGETS LOSE 14-0 AGAINST MARKHAM

The Newmarket Midgets lost their first game against Markham in a best two-of-three series to decide who will represent the group in the O.E.A. finals by a 14-0 score last night at Stuart Scott grounds. The second game will be played in Markham.

Bob Ringwood, Markham pitcher, held the local boys to three hits, two by Jerry Hugo and one from Don Gibson. A third game, if necessary, will likely be played in Aurora on Wednesday.

## START SEMI-FINALS

The first game of the semi-finals of the North York men's football league will be played at Stuart Scott school grounds at 7 p.m. this evening between the Newmarket Vets and Aurora.

## WARRIORS' DAY PARADE

Aurora—Members of the Aurora branch of the Canadian Legion who plan to attend the Warriors' Day parade at the Canadian National Exhibition on Saturday, Aug. 23, are asked to leave their names with the secretary, T. A. M. Hulse, Aurora. A platoon of 24 is sought from Aurora.

## ABOUT AGAIN

Newmarket—Fred. L. Smith, well known Newmarket auctioneer, is able to move about after his long siege of illness following his accident. He has to use crutches so far but hopes to discard them soon.

## HOLD PICNIC

Aurora—The Baptist church Y.P.U. held a picnic on Monday afternoon at the home of Mr. and Mrs. James Porter, Keswick. The party went by bus and enjoyed swimming, games, a sing-song and lunch.

Terry Budd, son of Mr. and Mrs. A. B. Budd, Church St., showed how easy it was for him to put his leg between the bars of one of the catch basin tops. It has since been "fixed" but there is still a three-inch space between bars and concrete sides. He suffered painful bruises when he "fell in" last summer. (Staff photo finished by Budd.)

## Three Botsford and Church Catch Basins Long A Hazard

Newmarket—Two new catch basin tops were installed at the corner of Timothy and Church Sts. on Wednesday, replacing two tops in which the bars were so far apart that they were dangerous, especially for children, several of whom are known to have stepped between the bars and fallen. The legs of comparatively chubby children went down as far as the middle thigh before they became stuck between the bars with resulting bruises and scrapes.

The other two catch basins at the corner have not been done yet and Councillor Frank Bowser, chairman of the road and bridge committee of the Newmarket town council, said this morning that he had not yet inspected those which were done.

On one of the new catch basins, the bars have been placed so that there is a space of three inches between the cement side and the first bar but the bars themselves are from 1 1/2 to 2 inches apart. On the second new basin the space between all the bars is from 2 1/2 to 3 inches apart. It was from this basin that several bars had fallen out, leaving a hole in which an adult could stand with ease.

The basin where at least two children stepped through the bars, which has not been fixed, has bars which are three inches apart at the widest point, while the fourth sewer, which is said to have been fixed about two years ago, has bars from 1 1/2 to 2 inches apart.

Councillor Bowser said he could give no explanation as to how the bars were broken out of or removed from the catch basins. "It may have been done by a truck but I doubt if a car could break away the cement enough for the bars to fall through," he said. "The condition is always arising and the tops are fixed periodically when the catch basins are cleaned."

Among the children known to have had painful spills into the basins are Terry Carter, son of Mr. and Mrs. C. Morden Carter, Timothy St.; Kendra Long, Peterboro; Terry Budd son of Mr. and Mrs. A. B. Budd, Church St. and Catherine Frances Gibson, daughter of Mr. and Mrs. John Gibson, Botsford St.

Mrs. Carter said that Terry's worst fall was four or five years ago when his leg "stuck tight" between the bars. He lost his boot in the sewer and had an awful leg after we extricated him. I understand that complaints were made to town authorities at that time, but I did not make any myself." Terry said he has fallen several times when his foot slipped between the bars but said the fall his mother had mentioned had been the worst one. Mrs. Carter said the sewers at the corner of John and Timothy Sts. are "just about as bad as those at Timothy and Church Sts."

Kendra Long remembered vividly how, when visiting Newmarket two years ago she had unwittingly stepped into one of the sewers. Terry Budd had a similar painful experience last summer. Mrs. Budd commented yesterday that "the new bars are still too far apart." The most recent episode, however, occurred only a little over a week ago. Catherine Frances Gibson, four, had picked up some parcels for her mother at the Arctic Lockers and was holding them in her arms in front of her as she walked home. She did not see the sewer and her resulting fall scraped and bruised her leg.

## GETS HIGH GRADE

Newmarket—Employed at Harvey Lane's Drug Store for the past three weeks, Norman Bennett, 26, received his results from the Ontario College of Pharmacy on Saturday and was 17th in a class of approximately 144.

Mr. Bennett was born in Brantford and served in the medical corps and later in the R.I.L.I. overseas for more than four years. He served his apprenticeship under Hugh Kirstine, St. Catharines, who had been a classmate of Mr. Lane. Mr. Bennett is married and has a six-months-old son.

## Tallis Choir To Sing At St. Paul's Sunday

Newmarket—The Tallis choir, Toronto, conducted by John Cozens and specializing in unaccompanied church music, will be heard Sunday night in St. Paul's Anglican church here. At full strength the choir consists of 14 voices. It is small in size because many church choirs consider they are not good unless they possess at least 30 singers; unaccompanied singing has been chosen because a poor organ is often blamed for inadequate singing. The Tallis choir, with considerable success, has set out to prove that neither the number of singers nor the state of an organ have anything to do with the choral results achieved.

The name of the choir is that of the 16th century English composer, Thomas Tallis, who is known to history as "The Father of English Church-Music," and whose compositions are sung today by the world's greatest choral societies.

## FACE HEAVY AGENDA

Aurora—Owing to the absence in Quebec on business of Mayor Ross Linton the August meeting of the Aurora town council scheduled for Tuesday was postponed until Monday, Aug. 11. A heavy agenda is ready for the councillors.

idly how, when visiting Newmarket two years ago she had unwittingly stepped into one of the sewers. Terry Budd had a similar painful experience last summer. Mrs. Budd commented yesterday that "the new bars are still too far apart." The most recent episode, however, occurred only a little over a week ago. Catherine Frances Gibson, four, had picked up some parcels for her mother at the Arctic Lockers and was holding them in her arms in front of her as she walked home. She did not see the sewer and her resulting fall scraped and bruised her leg.

Kendra Long, Peterboro, points to the spot where, two years ago, she stepped on the top of a catch basin at the corner of Timothy and Church Sts. Her leg slipped between the bars, which are three inches apart at that point, and she fell. Her leg stuck between the bars at about the middle of her thigh and it took several minutes to extricate her. The top has not been fixed. (Staff photo finished by Budd.)

## SKUNK IS PET

Newmarket—Several residents were astounded this past week when they saw a tiny skunk following lamely at the heels of Ed Mosley, Toronto, who was formerly employed by Ken Howard here. Mr. Mosley obtained the skunk from the Humane Society when it was a baby and feeds it on milk and corn flakes. This is the second time he has brought the skunk to Newmarket for a visit.

## Prominent In Church Mrs. Thos. White Dies

Aurora—Funeral services were held on Friday for Mrs. Thomas White, Harrison Ave., well-known Aurora resident who had been in ill-health the past two years. She was born Libby May Wyatt of Toronto and after her marriage was with her husband at Methodist and United church charges at Kleinberg, Laurel, Cookstown, Espanola, Heathcote, Wesley, Mount Pisgah and Temperanceville before Mr. White retired.

Active in women's organizations in the church, she was especially prominent in the cause of temperance, being president for some years of the Peel-York W.C.T.U. and a delegate to the World Conference in Toronto. She had been a member of the general board of the W.M.S. of the United church and attended the general council meeting of the United church held in Ottawa. She is survived by her husband.

The funeral service was conducted by Rev. Roy F. Hicks, Rev. E. C. Middle and Rev. H. S. Warren, and pallbearers were Asa Cook, F. B. Palmer, Asa Stephenson, Frederick Cousins, Charles Copland and Arnold Miller. Interment was at Aurora cemetery.

## BIKE THEFTS CHARGED

Aurora—County Constable Aubrey Fleury and Chief Constable Fisher Dunham took into custody Vernon Best, 27, of Lake Wilcox last week and charged him with the theft of four bicycles and receiving stolen goods. The police action came before any complaints were received.

## FIRST CONCERT

Aurora—The Lions Boys' band will hold its first band concert of the season in the Aurora town park on Sunday evening, Aug. 10, at 8 p.m. The band, under the direction of Bandmaster Robert Moore, have an interesting program arranged and the silver collection will go towards the proposed bandstand in the park.

## MOVE TO HAMILTON

Mr. and Mrs. Clark Hill moved to Hamilton last week where Mr. Hill has been for some weeks. He is employed by the Office Specialty Mfg. Co. Ltd.

## Trevor Shier Marks Birthday At Hospital

Newmarket—Trevor Shier's birthday present came a day late this year. His family went down to his room in Toronto Western hospital on Thursday night to celebrate his 15th birthday with him and on Friday morning they received a call to the effect that Trevor was now well enough to be brought home.

Trevor suffered his injuries when his bicycle collided with a car driven by Stan Evans almost five weeks ago. He was confined to hospital for four weeks less a day.

"He will have to go back to the hospital on September 2 for a check-up but it is not expected that he will have to stay," his mother, Mrs. John Shier, said yesterday. "He is up all of the time now, although he spends most of the day lying around in the sun. His knee is still bandaged but is coming along fine and all of the other injuries are healing."

## Queries Summonses Mailing, Traffic Charges Dismissed

Newmarket—Robin Shea, young Toronto lawyer, came up with a new way with which to escape liability under the Highway Traffic Act in magistrate's court here Friday.

Max Dolman, Toronto, was charged with careless driving on No. 11 highway, and with driving after dusk without benefit of a tail light. Mr. Shea challenged the crown to prove that the summonses were mailed within 10 days of the alleged offences as required in the act. Court Clerk Allen Mills was called to the stand.

"The summonses were dated within ten days of the offences, and they would be put in the mail the same day, although they might not have been postmarked until the following day," he said. "If notice you say 'would be put in the mail the same day,' Mr. Shea said. 'Can you swear that you personally remember, or can any of your clerks swear that they personally remember mailing these summonses within ten days?'"

"With the number of summonses mailed from our offices in a day it would be impossible to remember a particular summons being put in the mail," Mr. Mills said.

"Then you do not personally remember when this summons was mailed?"

"No."

"Case dismissed," Magistrate O. S. Hollinrake ruled.

## TO HALT USE OF SIDEWALKS FOR DISPLAYS

Newmarket—Mayor Joseph Vale this week gave notice that a by-law would be introduced at the next regular meeting of the Newmarket town council to repeal the by-law which permits merchants to use 18 inches of sidewalk for the display of their merchandise.

"I have recently had a great many complaints concerning the practice of merchants on Main St. of using the sidewalks to display their merchandise," he said. "In my opinion the sidewalks of the business section of Main St. are entirely too narrow to permit merchants to use them for display purposes."

The full text of Mayor Vale's statement follows: "I have recently had a great many complaints concerning the practice of merchants on the Main St. using the sidewalks to display and sell their merchandise, thereby causing great inconvenience to pedestrians and other people using the sidewalks."

"I have had Wesley Brooks, the town clerk, look up the by-laws regarding this, and after a lengthy search he informs me that the 22nd paragraph of a by-law passed in 1891, and so far as he can ascertain never repealed, permits a merchant to occupy 18 inches of the sidewalk in front of his place of business for displaying his goods and merchandise."

"A by-law will therefore be introduced at the next regular council meeting repealing this provision in the old by-law. In my opinion, the sidewalks of the business section of the Main St. are entirely too narrow to permit merchants to use the same for display purposes."

"In the meantime, Chief Constable Ronald Watt has notified the merchants that the existing by-law will be strictly enforced."

## Toronto Youth Dies Following Collision

Bradford—Charles McKenzie, 19, Toronto, was fatally injured when the bicycle he was riding came into collision with a car said to have been driven by Pte. Walter Starkey, Aurora, on No. 11 highway north of here on the night of July 30.

According to police, the bicycle and car were both travelling south. Dr. Frank Shannon of Churhill was rushed to the scene and McKenzie was taken to York County hospital suffering from a fractured skull. He died early Thursday morning.

Coroner Dr. L. W. Dales said that he had asked for an inquest.

## Clement King Dies In Car Collision At Mulock Sideroad

Newmarket—Clement King, retired director of Hiram Walker and Sons, well known in art circles, and a resident of Newmarket for 19 years, was killed on Saturday when the car he was driving was in collision with another, driven by James Robertson on Yonge St. at the Mulock sideroad. Dr. J. Gordon Cook performed the autopsy, and an inquest is expected.

According to Mrs. John King, Mr. King left his home on Second St. at approximately 1.15 p.m., to paint somewhere along the sideroad. Provincial Constable A. S. Andrews said the collision occurred at approximately 1.55 p.m. as Mr. King was driving out of the sideroad. He was 83.

Mr. King was born in Bridge-town, Barbados, B.W.I., the son of Clement King, a sugar plantation manager, and Julia Bovell, both deceased. He was educated at Carrington College before coming to Searforth, where he was employed at the Canadian Bank of Commerce at the time when Sir John Aird, then just John Aird, was manager of the bank.

After leaving the bank he was employed by Hiram Walker and Sons, and for 24 years was manager of the firm's New York office. After the first world war he was made a director, holding the position of secretary. He retired in 1928 and came to Newmarket to live.

Painting was Mr. King's life-long hobby, and he was a member of the Salmagundi Art Club in New York, the Scarab Art Club in Detroit, and the Newmarket Art Club, of which he is a past president. He was honorary president of the club this year and at the recent showing of the club, had several of his oils on exhibition. He was also a member of the New York Athletic Club and the Albany Club in Toronto.

Mr. King's wife, the former Margaret Case, Searforth, predeceased him, but a son, John Raven King, and a granddaughter, Margaret Clare "Peggy" survive. A brother and two sisters also predeceased him.

Rev. J. T. Rhodes, St. Paul's Anglican church, conducted the private funeral at the chapel of Roadhouse and Rose on Monday afternoon. The body was cremated yesterday, and the ashes were taken to Searforth to be buried beside the remains of his wife.

ed a job as caretaker at the Stuart Scott school, and in June, 1926, he accepted a similar position at the Newmarket high school.

Mr. Barker will best be remembered by the many students who attended Newmarket high school between 1926 and 1943, as the man with the welcoming smile. In addition to his many duties about the school he could always find time to be friendly, and give a helping hand to a student's need and welfare.

The North York  
GARDENER

By JOHN DALY

Vice President, Newmarket  
Horticultural Society

In last week's write-up on pansies I stressed the year-round blooming qualities. In this week's talk on poppies I am afraid it is a different situation. The shortness of the blooming period is disappointing for the most part. Still, the show is so gorgeous and beautiful while it lasts that I wouldn't be without it.

To start with, we have the biggest member of the family, the Oriental poppy. In most gardens the bloom only lasts a week. However, with a selected variety of the named sorts, this can be doubled.

In addition to their short blooming season, poppies have other faults. One is the difficulty in transplanting. With annuals it is almost impossible, but with the perennial it can be done during their dormant state, usually in August. That's the time they are shipped from the nursery, and that's the reason I'm writing about them at this time.

The Orientals can be obtained in a wide variety of colors, white through light pink to cerise, from light to dark red, lavender, mahogany, and burgundy. There is no true yellow, but one variety is Gold of Ophir. This is said to be yellow-orange and is the nearest to yellow.

In mentioning names I don't want to give the impression that I am naming the best varieties. That's a matter of individual taste. One, however, I don't hesitate to recommend as one of the best. It is Salmon Glow. This eight-inch flower is very double. My wife went out to try and see the centre but she backed away when she found it so full of bees. She did get a look the next morning before the bees got around, but couldn't see the centre. Later flowers, though, were only semi-double and finally single. This is a characteristic of the variety.

Another one I liked was a light, clear pink, called Joyce, and still another, Snow Flame. This has white markings at the base to contrast with the brilliant red of the rest of the flower, a contrast that made the name appropriate. Another fault of these poppies is their inclination to spread, particularly the older varieties and the doubles. Salmon Glow is an exception here. It seems to behave better. Grown from seed sown where the plants are to flower, they behave alright, but as one man wrote once, cut the roots and they seem to become imbued with a desire to conquer the world.

The annuals are very lovely, and while their season is short, still is longer than the Orientals. As I said earlier, they must be sown where they are to flower, since it is almost impossible to transplant them. I say almost, because once upon a time I succeeded when I didn't know any better than to try. I had to work in the pouring rain to do it, but I hated to see a patch of a hundred or more to the square foot go to waste. However, I am not advising any of you to try it.

California poppies are annuals that have a long season of bloom, from June until frost. Yellows and oranges predominate, but pinks and reds are also obtainable. Last but not least there is the Iceland poppy. This perennial variety has a longer season of bloom than most flowers. Starting in late April, they continue in bloom until August. Then, like their big cousins, they have a rest period. Later they start blooming again, and continue until frost. While they are classed as perennials, they don't seem to be very long-lived, and fresh sowing of seed every couple of years or so is advisable. The predominating colors in these are white, yellow, and orange, with sometimes pink and light red.

## POTTAGEVILLE

## End Tent Meetings

Special tent revival meetings have been held for the last two weeks in Pottageville under the auspices of the Bible and God Crusade. Evangelist Mrs. C. L. Whitman gave messages on various Bible themes and special hymns were sung by visiting soloists. On the last day of the campaign, there were special speakers with a ladies' trio and the male quartet providing the singing and the Salvation Army band from Toronto supplying the music for the evening service.

In the absence of the minister, Rev. C. E. Cragg, who is on vacation, the Sunday morning service of the United church took the form of a praise service. Several selections were sung by the choir under the leadership of Mrs. A. Elder, a duet was sung by Mr. G. West and Mr. H. Stone and Mr. Stone sang a solo. Two accordion duets were beautifully played by Geo. and Jack Stone, accompanied by their mother. The Scriptures were read by Mr. Bob Hamilton and Mr. Bert Bowman, Mr. G. West told of an impressive incident as an example of the way "God answers prayer". Mr. George Burt-Gerrans offered the opening prayer and Mr. J. Jarvis pronounced the benediction.

The Sunday-school followed as usual. Mr. Geo. Burt-Gerrans substituted for Mrs. Stanley Proctor who is spending a holiday with her sister, Mrs. D. Pines, at Bolton.

## In Memoriam

Cowan—In loving memory of our dear daughter, Dorothy White Cowan, who unexpectedly passed away on August 8, 1945. We often sit and think of her when we are all alone.

For memory is the only friend that grief can call its own; Like ivy on the withered oak, when all other things decay, Our love for her will still keep green and never fade away.

Sadly missed by her mother and father, Mr. and Mrs. George White.

Riddell—In loving memory of a dear mother and grandmother, Anzonetta Riddell, who passed away Aug. 5, 1946. Her weary hours and days of pain, Her troubled nights are past; And in our aching hearts we know She has found sweet rest at last.

Sadly missed by daughter, Dora, son-in-law, Bill, and grandchildren.

Riddell—In sad and loving memory of our dear mother and grandmother, Anzonetta Riddell, who passed away Aug. 5, 1946. Years of striving, little of play, Loving and giving, the whole of the way,

A cheerful smile, a heart of gold, The dearest mother, the world could hold. You oft times said we'd miss you, Those words have proved too true;

We lost our best, our dearest friend, Dear mother, when we lost you, Sadly missed by daughter, Daisy, son-in-law, Malcolm, and children, of Myrtle Station.

Stewart—In loving memory of Hugh Stewart, killed in action Aug. 10, 1944. We loved him, ah, no tongue can tell.

How much we loved him or how well God loved him too, and thought it best To take him home with Him to rest. Lovingly remembered by mother, father, sister and brothers.

West—In loving memory of a dear son and brother, George H. West, who passed away suddenly August 9, 1941. A beautiful memory, dearer than gold

Of a son whose worth can never be told, Alone, unseen, he stands by our side

And whispers "Don't grieve, death cannot divide." Deep in our hearts a memory is kept Of one we loved and will never forget.

And though the years be many or few We'll always be thinking, dear George, of you. Always remembered—mother, dad, sister, brother.

## "We made the SMART choice!"

## say OLDSMOBILE

owners everywhere

Writes R. A. Balmher, General Manager of a large Toronto furniture company: "After driving my new Oldsmobile 8 in winter weather and over road, unusually rough, I find you were very conservative in your recommendations for the Hydra-Matic Drive is certainly the smoothest thing in mechanism that I have ever experienced. I am really proud of this car, and for driving comfort, ease of handling, and general road-worthiness. I can only say I'm glad I bought an Oldsmobile. I made the smart choice."

And that's just an excerpt from one of the many, many letters sent in by Oldsmobile owners—letters that repeat again and again, "There's nothing else like it in driving! It's smart looking... smart handling... and the new G.M. Hydra-Matic Drive is the smartest way of driving yet devised."

Yes... people who choose Oldsmobile make the smart choice... for Oldsmobile is the smart buy of the year. To you who are waiting for your new Oldsmobile—our thanks for your patience... our tribute to your wisdom. The demand for Oldsmobile with the new G.M. Hydra-Matic Drive is so widespread that it still greatly exceeds the supply. Make sure your present car carries you conveniently and safely through the waiting period by having it serviced regularly by your Oldsmobile dealer.

# NEWMARKET DELIVERED PRICES OF GENERAL MOTORS CARS

FROM time to time, as a matter of public information, we have published the Retail Delivered Prices of General Motors Automobiles.

In accordance with this practice and to eliminate any uncertainties or confusion, we are again publishing the present Retail Delivered Prices. These prices include Standard Factory Equipment, Dominion Taxes and spare tire. Provincial and Municipal Taxes where such apply, license fee, and optional equipment are, of course, additional.

We sell these makes and models at the prices shown. You may rest assured, we will distribute them as fairly as possible with proper regard for orders placed with us and dependent upon the availability of models.

Should you be offered, from some other source, a new car, or one with low mileage, we suggest that you pay no more than the prices listed. You will obviously

find it to your advantage to wait a little longer, until we are in a position to deliver a car against your own order.

We are sorry to say that delivery to you may be delayed for some time yet. This is due, in particular, to the shortage of many materials. General Motors has done a splendid production job under the circumstances and expects to steadily increase the rate of production. Meanwhile, these conditions, combined with the wide popularity of General Motors cars, and such an unprecedented demand, mean that delay in some instances is quite inescapable. We entreat your patience and understanding while the shortage exists.

We realize that our success depends upon the confidence and goodwill of our many customers. We will strive at all times, through good business practices, to justify, and therefore retain, this most valuable asset.

Look what's new  
in the Goodwins' garden!

Mr. Goodwin's shiny new aluminum wheelbarrow is the envy of the neighbours. Junior is as proud as a peacock of his miniature version. Mrs. Goodwin dotes on her new aluminum trowel... and her smart new garden chairs, sitting so invitingly in the shade.  
Yes, aluminum is a natural in the garden—so light to handle, so perennially rustproof, so enduring. Little wonder it is finding a lot of interesting new uses—in rakes and brooms, lawnmowers and ladders... Little wonder the Goodwins' neighbours are determined that from now on their garden tools are going to be aluminum, too.

Where does Aluminum come from?

In basic raw materials are imported bauxite from British Guiana, Ceylon, from Greenland, fluorapatite from Newfoundland. Canada makes use of her waterpower and manpower to turn these into Aluminum—uses up no natural resources of her own. All these "ingredients" are brought together at Arvida, Quebec, home of the largest aluminum producing plant in the world.

# Lefty Andrews Wins Duel To Net Aurora 8-3 Win

By GEO. HASKETT, JR.

"Lefty" Jack Andrews once again halted the Newmarket Redmen in their tracks at Pantry Park on Friday evening, limiting the local forces to seven scattered hits while striking out eight men. The invaders took home an 8-3 triumph. Tommy McHale hooked up with Andrews in a pitching duel with the Aurora flinger taking the verdict.

The Redmen were able to dent the armor of the Aurora left-hander on only three occasions, scoring single counters in the third, fourth and seventh. Centre fielder Tommy McHale opened the third frame by reaching first on an infield error. McHale promptly stole second and came in with the first run on short-stopper Jim Rutledge's safe blow into right field.

In the fourth with one away, Stan Winger bashed out a long triple. It was miles over the fence for a sure home run but went into the trees in right field and dropped back into the playing field. "Red" Palmateer scored his teammate with run number two, driving out a long fly into right field.

The Redmen gave the invaders some anxious moments in the bottom half of the seventh when Stan Winger scored his second run. They followed this by loading the bases on successive singles by "Red" Palmateer and Bill Hopper and a walk to right fielder "Motts" Thoms. The situation began to look rosier but umpire Bob Bell called a halt to proceedings at this point.

## DOWN THE CENTRE

By AN HULSE

**STARDUST SYMPHONY**

We have sent our requests for the annual all-star selections for Lake Simcoe and North Yonge softball and junior and midget baseball and as is generally the case the returns are as slow coming in as ballot results in the Yukon. However, we have two very excellent selections in hand, which may be a prelude to the final tabulations and again may not. Jack McDonald, manager of the Newmarket Vets' team, comes up with his choices and he has no apologies to make for the fact that the first team is mostly composed of his own boys. "I call them as I see them and over the whole season I think my choices are just about right," said the round stogie puffer.

Here they are as Jack sees them: **first team:** catcher, Charlie VanZant (N); pitcher, Bill Bowen (Langstaff); 1b, Maurice Walsh (N); 2b, Fred Evans (N); 3b, Doug Eves (N); s.s., Harvey Gibney (N); outfield, Herb Cain, Mickey Smith and Norman Legge (N); **second team:** catcher, Charlie Cain (A); p, Bill VanZant (N); 1b, Ace Yake (A); 2b, Tim Saul (R. Hill); 3b, Joint McComb (N); s.s., Alf Stong (R. Hill); outfield, Earl McDonald (A); Jim Crean (R. Hill), Art Crean (R. Hill); honorable mention, Teddy Bennett (A), Alf Stong (R. Hill); outfield, Earl McDonald (A), Jim Crean (R. Hill), Norm Stunden (R. Hill), Herb Rose (R. Hill), Andy O'Neill (A), Mickey Sutton (A), Will White (A), W. Bowen (Langstaff).

In the southern section of the Lake Simcoe league, a selector who prefers to remain anonymous picks his two nines as follows: **first team:** catcher, Bill Dike (P. Orchard); p, Red Mitchell (Mt. A.); 1b, Bub Preston (P.O.); 2b, Ken Case (Mt. A.); 3b, Doug Ross (Mt. A.); s.s., Doug Eves (Hope); outfield, Floyd Brean (Hope), Bob McNern (Hope), Ross Eves (Sharon); utility, Lonnie Ganton (Hope); **second team:** catcher, Russ Pegg (Hope); pitcher, Harvey Preston (P.O.); 1b, "Kick" Paisley (Mt. A.); 2b, Cliff Ward (Sharon); 3b, Roy Eves (Hope); s.s., Ed Tidman (P.O.); outfield, Jack Kavanagh (Queens), Harold Watts (Mt. A.); Don Glover (Sharon); utility, Joe Case (Mt. A.). We haven't had the chance of seeing more than two of the teams in action but from all reports the above list is a pretty fair chore.

Further selections will be published as they are received and a grand summary will be presented.

Wise crack of the week came from Mo Walsh, hustling first sacker of Newmarket Vets. When a small argument started, with memory of the edict of league president in mind, somebody bellowed "Where's the discipline?" "We don't need discipline, what we need is competent umpiring," quipped Walsh. After threatening to retire entirely from softball, Stan Evans, who actually did pass up hockey, has listened to the siren songs of Messrs. McDonald and VanZant and rejoined the Vets, in time for the play-offs. Stan needs a bit of practice and then he'll hold his own with the best in the league. Markham council has purchased 40 benches for the town park; a lead that might well be followed by other centres. Price asked was \$450. The municipality bid \$3 and finally four bucks even per bench closed the deal. Wonder who looks after the benches each game at Morgan Park? "Who'll be responsible for them and won't they disappear entirely or be wrecked in a few nights?" That's what comes up in most quarters in Aurora and Newmarket when the matter of park requisites is heard at the start of each season. It's still not the answer to the problem. Leonard Clement, Richmond Hill, father of that versatile young athlete, Mac Clement, has presented a beautiful gold memorial trophy for annual competition among lady lawn bowlers. It will first be competed for on September 6 at a femme tournament at the Hill. The trophy is in memory of the late Mrs. Clement who was an ardent bowler. Mr. Clement is one of those gents who is always ready to dig down in the jeans to help any sport and in his day he was one of the finest soccer players in York county. The trophy is on display in the window of the Richmond Hill Liberal and has attracted quite a bit of attention from passing motorists. Earl McCrone, former Richmond Hill junior hockeyist who played in Scotland last winter, is performing at lacrosse this summer for Scarboro Grads juniors. Nip Spooner, former Camp Borden and Aurora R.C.O.C. softballer, is in action with Trot's Pros in the Collingwood town league. Jack Portland, Ed Bush and other pro hockeyists are with the club. Spooner will likely join Collingwood Legion in the Legion playdowns. Bill Haskett may come up with a surprise in the midget baseball playdowns. According to Grant Nighswander, Richmond Hill and Markham, coach Doug James of the Markham team, after signing catcher Percy Schell, pitcher Roy Ward, pitcher Grant Wells and infielder George Timbers of the Stouffville club, has given them their releases or at least returned their certificates and the lads are all ready and willing to play for Newmarket. Catcher Schell and Ward, who is a great fielder in addition to pitching, would be especially welcome additions to the Newmarket nine.

According to Nighswander, Sylvia Stefan of the Hill is the outstanding player in the entire midget circuit while Baldy Petch, Markham, who is eligible still for bantam, is the top bantam player of the league. Roy Eves, one of the well known Eves brothers of softball fame, is the top hitter of the entire Lake Simcoe softball league. Have you noticed elsewhere in this column that Roy's brother, Doug Eves, who plays mushball for both Hope and Newmarket Vets, has had the distinct honor of being picked on two first choice all-star teams in both leagues in the first releases published. We can't recall it happening before. Loring Doolittle, young all-round Aurora athlete, celebrated his 19th birthday on Friday in great style. First of all he played with Aurora juveniles as they measured Newmarket juniors 8-3. There was great satisfaction in that for a year previous on the same date, Newmarket ousted Aurora from the league championship and the Aurora win returned the compliment. Then Aurora softballers, with whom he also plays, took Newmarket Vets 5-4 without him to add to the fun and then when he arrived home he found his parents, Mr. and Mrs. Clarence Doolittle, had staged a surprise party with 26 guests present, including all his baseball mates. It was a red letter day for "Ozark Ike" who spark plugs both teams with his enthusiasm and chatter. Most improved player in local softball this year in our books is Earl McDonald of the Aurora club. "Mac" played just an ordinary game with R.C.O.C. last year. This season he has played first base, short and outfield with Aurora with real ability and has developed into just about the best hunter in the league. Aside from that McDonald has been garnering one to three hits every game and while averages aren't available, he must lead the Aurora club in hitting.

**LATE NEWS ROUND-UP**  
Leonard Simmons, local O.B.A. group convenor, disgusted at the off-again, on-again tactics in the district midget group over the signing of outside players, has ordered both Newmarket and Markham into the final series which started last night with only their own players. An appeal may be made to the O.B.A. by at least one of the clubs. Don't forget the big field day sponsored by King City Legion on August 16. It looks like a gala affair and the committee in charge is working hard to make it a success.

## OH LITTLE MAN WHAT A BUSY DAY

With a full entry of 28 rinks, J. O. Little and Vaughan (The Hornet) Goring swept the field at Allandale with an average of 22 points a game (58 plus 8) on Monday.

To prime himself for this victory, J. O. worked out on McShane's Creek (his catch is not recorded) from midnight to noon, attended a picnic and a band concert and finished up with a few hours of twilight sleep before heading for Allandale for the Civic Holiday bowling tournament.

Youth prevailed in numbers among the bowlers at Allandale but Young J. O. met their every trick and mowed them down one by one. All in all, it was a great day for J. O. and for Newmarket with Bert Budd and Tom Doyle getting high for two wins with a 58.

On the way home from Allandale, J. O. was bent on going after a three-pound trout which he said was waiting for him but he was without bait and so was forced to retire after a perfect day, mayhap to dream about his well earned victory and future victims. Congratulations to J. O. and Vaughan for a great showing.

## Diamond Patter

By GEO. HASKETT, JR.

Word has come through from the Ontario Baseball Association headquarters somewhat changing the local baseball picture. At the beginning of the campaign, both Stouffville and Newmarket had entered the O.B.A. Junior B competition but advice is now to hand that the North York Lions league, since it is affiliated with O.B.A., can only send one junior representative into the play-downs. Therefore Newmarket and Stouffville will meet in a two-of-three series to decide a winner for this group.

The same edict makes it necessary for Newmarket and Markham midgets to declare a group winner. Originally, both Newmarket Lions midgets and Markham had signified their intention of going into the O.B.A. play-downs, but this has been changed so the Newmarket kids meet Markham in a two-of-three series for the right to represent the local group in the O.B.A. play-downs. The first game is being staged at Newmarket, the second at Markham and the third going to neutral grounds.

Aurora has the green light to enter the O.B.A. juvenile B play-downs and should carry the banner of the North York Lions league right through to the juvenile championship. Last year, Simcoe Reformers won the juvenile B championship and the North York fans are looking for an Aurora victory.

The Newmarket-Stouffville series gets underway at Pantry Park on Friday evening, the return engagement being billed for Stouffville on Wednesday, Aug. 13. All games have to get underway at 6:30 p.m. as a full seven innings have to be completed. The third game, if it is necessary, will likely be played at Aurora on Friday, Aug. 15. The series should provide plenty of action as both clubs are raring to get at each other after last year's doings.

Beaverton Intermediates are scheduled to meet the Newmarket Juniors at Pantry Park Monday evening in an exhibition tilt. The visitors humbled the Redmen in Beaverton a week ago by a 12-4 margin so the locals will be out for revenge. Ken Broughton will likely take on the pitching chore for the canal town.

The O.B.A. headquarters at Hamilton announce in its August 1 bulletin that the winners of the Newmarket-Stouffville set to will take on the champions of the lake shore league. In all probability the lake shore will be represented by either Port Hope or Bowmanville. In the midget series, the winners of the Newmarket-Markham tilt are slated to tangle with Oak-

## Aurora Edges Redmen 5-4 So Finish Off Schedule

Turning in one of their best displays of the season, Aurora softballers edged out Newmarket Vets 5-4 in the final scheduled game of the regular season. Aurora outlived the Vets 11-5, but wildness on the part of the pitcher, Andy O'Neil, coupled with timely hits and an error by Ray White just about gave the verdict to the visitors.

Newmarket scored in the second, third, fourth and fifth, but from then on O'Neil tightened up and with Manager Charlie Case behind the plate, had command of the situation. Cain's double, and singles by Eves and Legge were telling blows for McDonald's men.

Aurora put two across in the fourth as Worth walked, Castles singled, Hodgins singled and Sutton flied out. They added another in the sixth as Castles was safe on an error, and Sutton and Yake pumped out singles. In the bottom half of the seventh, McDonald singled, took second on Castles' infield out, and scored as Worth's drive bounced off Evans' shin to the outfield. When Smith dropped a fly ball, Worth came home with the winner.

Picking features were provided by Smith who robbed Case of a sure homer and doubled Sutton off third. Gilles made a feature play for Aurora as he grabbed a smash by VanZant and turned it into a double play. O'Neil whiffed Walsh, and Smith in the top of the ninth and Castles speared the third out in left.

ville. Aurora's juvenile "B" entry is billed to go against Whitby "Red Wings" in their first test. The North York league representative in the bantam series, either Markham or Richmond Hill, is drawn against Collingwood.
